

Hilary Watson and Kate Feldtkeller

Live Sound Rider v 1.0, Revised October 2015

Fishers Artists Agency - www.fishers.com - fishersofmen@fishers.com - 951-205-9063

Thank you for your help with Hilary and Kate's sound needs – we appreciate it.

INPUT LIST

Hilary vocal on boom stand
Hilary acoustic guitar (direct input)
Kate vocal on boom stand
Kate violin (direct input)

MONITORS – two separate mixes, please

Floor mix for Hilary
Floor mix for Kate

MIXING DIRECTION - Hilary & Kate ask that all effects, compression and presets be taken off the mix and the EQ initially be set flat. Hilary & Kate have the ability to mix their own instrument EQ and will primarily set it from the stage. All adjustments should be minor and dialed in during sound check so that the mix is not changed during the performance. Both vocals should be at an equal volume as they are constantly shifting between/ sharing leads and harmonies. Please do not ride the vocals or instruments. In order to have their sound remain consistent from venue to venue, Hilary & Kate will be involved in the mixing process and will approve the final mix.

Feel free to have the sound engineer contact either Hilary or Kate ahead of time.
Kate 805-286-7497 - Hilary 951-858-9950
